Text of the paper

- Title of the paper: centre, bold, 12pt Times New Roman. The title of the paper is 15 mm under the headings.
- After the title information about authors comes, 5 mm under the title in 4 rows (last one is optional). First row: name of the authors, small capital letters, Second row: workplace of the authors, Third row: post address of the authors, Fourth row: e-mail address. All four rows should be written by 10 pt, Times New Roman letters. In case of same workplace it is not necessary to repeat it.
- 4 mm under the author information there is the incoming date of the paper in square brackets with 9pt, Times New Roman.
- 4 mm under the date abstract comes with 9 pt, Times New Roman.
- 4 mm under the abstract keywords are coming with 9 pt, italic, Times New Roman letters. Maximum 5 keywords are allowed to be written.
- Section, subsection titles are left-aligned, bold, Times New Roman 11pt (for section), 10pt (for subsection), in the following order: number of the section, dot, space, title of the section.
- Text of the paper: 10pt, Times New Roman.

Headings, page numbers

- Headings, page numbers are created by the Press

Figures, tables

- Before and after each figures and tables an empty row should be. Between the figure (table) and the figure (table) title no empty line is needed.
- Figures are centred, figure titles too. 9pt, italic, Times New Roman.
- Tables are centred. The number of the table (Table 1) is above the table, right-aligned,

normal 9pt Times New Roman. The title of the table is also above the table, centred, italic, 9pt, Times New Roman.

Acknowledgement, references

- Acknowledgement following by the references is at the end of the paper, 9pt, Times New Roman.
