

## Curriculum vitae

### Personal data

Name: Dr. Tamás István TÖRÖK

Office: University of Miskolc, Faculty of Materials Science and Engineering, Institute of Metallurgy

### Employments

University of Miskolc, Hungary 3515 Miskolc-Egyetemváros

### Scientific degree

DSc; dr.habil; CSc; PhD; dr.techn. univ.

### Scientific activities

Research topics: corrosion of metals; coatings; surface treatments; metallurgical surface technologies, chemical metallurgy.

### Professional experiences abroad

Kyoto University, Japan (Dept. Chemistry; research fellowship); short visits to universities and research laboratories in several foreign countries.

### Membership

ASM (American Society of Materials) International – former Chapter President in Hungary

European Federation of Corrosion – representing HUNKOR/Hungary in the Board of Administrators & in the Scientific and Technology Advisory Committee

Scientific journals editorial board memberships: International Journal of Metallurgical & Materials Engineering

BKL Kohászat (Hungarian Metallurgical Journal – in Hungarian)
