Subject : Invitation to the *World's Top Scientist Lecture* at ITS

Dear respected partner,

Warmest greetings from Institut Teknologi Sepuluh Nopember (ITS), Surabaya.

As a part of ITS 61st-anniversary celebration and to provide a world-class learning environment, we would like to invite global academicians to a virtual event entitled the *World's Top Scientist Lecture* with detail as follows:

Day and Date : Wednesday, December 1st, 2021
Time : 15.30 – 17.30 GMT+7
Speaker : Prof. Jeom-Kee Paik (University College London)
Title : *Advanced Structural Safety Studies with Extreme Conditions and Accidents*
Platform : Zoom and YouTube Live Streaming (ITS International Office)

Prof. Jeom-Kee Paik is one of the World's Top Scientists with the H-index 54. He is a Professor of Marine Technology at the Department of Mechanical Engineering, University College London. His research interests include Physical Science Engineering, Ships and Offshore Installations, Nonlinear Structural Mechanics, Impact Engineering, and Corrosion Wastage.

We highly hope that you could disseminate this information to your students and colleagues to join this special event by submitting the registration through <http://bit.ly/TopScientistPaik>. After submitting the registration, the participants will be given the Zoom link by email prior to the event. We also provide an e-certificate for this event.

For further information, do not hesitate to contact Ms. Reini or Mr. Dio at international@its.ac.id. Thank you very much for your support and cooperation.

We are looking forward to welcoming you to the *World's Top Scientist Lecture* at ITS!

Yours sincerely,

Assoc. Prof. Maria Anityasari, Ph.D.
Director of ITS Global Engagement
