| Requirements (exam/practical mark/signature/report, essay)                       | practical m  | ark |
| Course objectives (50-100 words):  | formulated for the chamber music class, motivated by the role of the conductor and the chamber music character arising from the number of members. A specific objective is explore and realize the creative possibilities manifested in the formation of 4 trumpets 4 horns, 4 trombones, tuba and percussion. With the help of the conductor, one of the main tasks is to develop an independent analytical skill by getting to know the stylistic features of the works, their formal structure and the internal connections of the parts. The common goal of the musicians in the band is the harmonization of their playing sk and musical tastes, and their possibilities to be raised to an optimal level, by the achievement of which the ideal production is born. |     |
| Course content:  | Week Topic   |     |
| During the joint work, the primary goal is the continuous development of the     | 1.   |     |
| classical repertoire and the sophisticated elaboration of entertaining music. As | 3.   |     |
| the band regularly performs at university events, this affects planning course   |  |     |
| content, so one broken down by semester would not accurately reflect reality.    | 4.   |     |
| 3-4 performances per semester are recommended.                                   | 5.   |     |
|  | 6.   |     |
