Degrees:

- Doctor of Science / DSc (Hungarian Academy of Sciences) Mechanical Engineering 2013
- Dr. habil (University of Miskolc) 2006
- Candidate of Science / CSc – PhD (Hungarian Academy of Sciences) Mathematics 1994

Employment record:

2014-	professor, head of institute, UM, Institute of Machine and Product Design
2013-2014	assoc. prof., head of department, UM, Department of Machine and Product Design
1996-2003	associate professor, UM, Institute of Mathematics
1986-1996	assistant lecturer, UM, Institute of Mathematics
1984-1986	lecturer, UM, Institute of Mathematics
1982-1984	scholarship scholar, UM, Institute of Mathematics

Current appointments:

- Vice dean for research and international affairs Faculty of Mechanical Engineering and Informatics, since 2017
- Faculty Assembly member of Faculty of Mechanical Engineering and Informatics, since 2008-
- Voting member of Committee on Mechanical Structures of VI. Section of Engineering Sciences of Hungarian Academy of Sciences, since 2014
- Vice head of István Sályi Doctoral School of Mechanical Engineering Sciences, since 2016
- Representative of the University of Miskolc at the Hungarian Automotive Innovation Consortium, since 2016
- Industry 4.0 National Technology Platform member of Strategic Planning Working Group, since 2016
- Chair of Mechanical and Informatics Professional Committee of Regional Committee in Miskolc of Hungarian Academy of Sciences, since 2017
- Chair of Scientific Council of Students at University of Miskolc, since 2017
- Member of the Habilitation Committee of Mechanical Engineering Sciences, Faculty of Mechanical Engineering and Informatics, since 2017

Research interest:

Fluid flow, tribology, growth models, partial differential equations
